

COMMERCIAL SERIES TREADMILLS

CS4.0

An economical introduction to TRUE Commercial Series treadmills, the TRUE CS 4.0 is totally redesigned to stand up to the heavy demands of full commercial usage. The CS 4.0 has been tested on our "treadbuster" for thousands of hours to ensure that it will go the distance. The stunning, sweeping design of the CS 4.0 is complemented by a sturdy 5.0 horsepower AC MaxDrive™ motor that propels the belt to a top speed of 12 m.p.h. One of the best warranties in the industry provides you with peace of mind and years of worry-free operation.
